DEAR COLLEAGUES

After rocking our last two symposiums on the stunning island of Santorini, we‘re keeping the vibe alive and heading to another spectacular Greek island – Corfu! Get ready for an unforgettable experience filled with beauty, art, and top-notch dentistry at our biannual meet-up.

Corfu isn‘t just a pretty place; it’s a cultural cocktail with flavors of Venetian, French, and English influences that spice up everything from the architecture to the cuisine. Picture exploring a UNESCO World Heritage site, chilling at one of the 115 beaches, or checking out cool castles and luxe pala-ce-museums in your downtime.

We’re all about blending classic charm with modern vibes, and Corfu is the perfect backdrop. It’s the spot where quality meets aesthetics, tradition welcomes innovation, and whe-re we all come together to push the boundaries of esthetic dentistry. Let’s dive deep into the art of creating beauty with precision, inspired by the latest trends and techniques.

Expect an awesome lineup of international speakers and a ton of fresh topics. This is all thanks to a killer collaboration across eight European countries in the field of Esthetic Dentistry.

So, get pumped! Join us for not only a chance to enhance your skills but also to enjoy Greek hospitality and hang with colleagues who are just as passionate as you are.

See you in Corfu, where the beauty of nature meets the art of dentistry!

Best wishes, Georgia Trimpou and Robert Sader
